Building with excellent position, in one of the busy streets of Vracar. Located within 10 minute walking distance from Kalenic green market, a well known city landmark. Neighborhood is abundant with different commercial contents. The apartment is housed in a relatively new building. It is spacious and functionally organized, suitable for family life. Public area of the apartment consists of a spacious living room, which exits to a glassed in terrace. It is followed by kitchen with dining area, which is separated with a kitchen bar. Master bedroom has a bathroom with a shower cabin, and exits to another smaller, glassed in terrace. Two more bedrooms are at disposal, with a shared bathroom with a shower cabin and a guest restroom. Modern interior, spacious rooms abundant with natural light, suitable for a family.
