Excellent apartment adapted into business premises, located in a quiet street in immediate vicinity of St. Sava Temple. Numerous commercial facilities, public institutions, as well as cafes and restaurants are located within walking distance. Highway inclusion vicinity and well organized public transport allows fast connection to different parts of the city. The apartment is completely renovated, while the interior has several qualities characteristic for industrial design. Rooms are connected with two doorways, which could be adapted according to need (sliding doors, wooden or glass doors). One entire wall is covered in decorative brick, while ceiling has concrete beams with lighting. Heating is provided by Norwegian radiators and air-conditioners. Space has out-standard ceiling height of 3,1m, it is oriented toward the street and abundant with natural light. Property adapted and suitable for administrative, medical and other similar business's.
