Beautiful apartment located on the seventh floor of an older building in near vicinity of Merkator center. I has a spacious living room with a terrace, which is connected to a dining area and a kitchen. Sleeping block has two larger and one smaller room. The apartment has a bathroom and a restroom, as well as a smaller laundry room with a washing machine. It has been recently renovated and has excellent ceramics in kitchen and bathrooms, pvc carpentry and well maintained parquet. Kitchen elements are new, while entrance hallway has built in closets. Bathroom has a shower cabin. Living room is equipped with modern furniture, while sleeping block has a combination of modern and classical elements. Interior is abundant with natural light and pleasant. Suitable for a family. Most of the furniture could be removed, so the apartment is also suitable for a business activity.
