Excellent apartment located in a relatively new building in vicinity of Vracar sports center. Quiet street in Crveni krst, within walking distance from Djeram green market, a busy commercial zone Bulevar kralja Aleksandra and close to several public transport stops. Location suitable for families because of the vicinity of schools, kindergartens, parks, as well as city center. The apartment is housed on the third floor of a building with an elevator and garage space. It features an entrance hallway which leads into living room with dining area and a kitchen which are connected. This room has a terrace. Three bedrooms are at disposal, as well as a bathroom with a shower cabin and a restroom. Main bedroom has a double bed and exits to a second terrace, while two smaller bedrooms are without furniture and could be equipped according to need. Bathroom and restroom have high quality ceramics and sanitary ware. Beautiful interior, equipped with modern furniture and appliances. Functional, spacious apartment suitable for a family or a couple.
