An excellent apartment with characteristic high ceilings housed on the second floor of a building in very city center, close to Knez Mihailova street well known pedestrian zone, Kalemegdan park and numerous shops with designer clothes, cafe shops and restaurants. Desirable location for anyone who likes to be in the center of city events. This cobble street contains authentic pre war buildings with maintained facade, and romantic street lights. Location is nicely connected with rest of the city. The building is older with maintained entrance and without an elevator. The apartment has functional structure, and two-side orientation. It is bright, completely refurbished with anteroom and small hallway which leads to all rooms. Two large rooms are facing the street are connected with large double door. One of the rooms has an exit to a small balcony overlooking the river. Anteroom leads to bathroom with bathtub, guest toilet and kitchen as well. Kitchen is fully equipped with cupboards and appliances, and leads further to pantry, small room and terrace. The apartment is for rent without furniture. This nice interior in pastel shades is ideal for business activities.
