Apartment located in near vicinity of a New Belgrade roundabout. Housed on the first floor of an older building with an elevator. Beautiful neighborhood, surrounded with greenery. The apartment has entrance through a mutual terrace, shared between three apartments. It is recently adapted into two bedroom apartment. It consists of a living room connected to a kitchen and dining area, and two bedrooms. Bathroom has a bathtub. Bedrooms are abundant with natural light, while living room which is facing the inner yard receives less daylight. Well maintained interior is in it's original condition. Suitable for a smaller family or a couple.
