Excellent office space, situated in a business building in the heart of Belgrade, close to trg republike (Republic Square) and the National Theater. Commercial and administrative central part of the city, well connected to the main city roads. The building has two elevators and a security guard. The space on the fourth floor is available for rent. It consists of eight offices, four toilets, a kitchen and a large reception area. The interior has been completely renovated and organized into several offices of different sizes, where two of offices occupy 35 m². It is equipped with new, modern office furniture, extremely bright space because of the large glass surfaces. The location and features contribute to the attractive characteristics of the space and make it suitable for various business activities.
