This business and warehouse complex is positioned on an excellent location, in near vicinity of the main Post office warehouse, close to Novi Sad highway and Sid highway, as well as the new bridge over Danube river. Business environment and high traffic frequency. The Warehouse is housed on the ground floor, while two doors provide entrance or exit. Ceiling height is 16 m. The space is rectangular shape with central ventilation and locker rooms and toilets for employees. The floor is covered with epoxy coat. The space could be divided into several segments of different size if needed. Two segments are equipped with high shelves. Excellent warehouse. Business space is placed in the front side of the building, and consists of three levels: ground floor and two floors. All levels occupy approximately 310 m² divided into several parts by easily removable walls which could organized according the clients needs. Every level has toilets. Complex is easily reachable, with large parking for seventy seven vehicles, a tow truck driveway and enough space for trucks to manipulate. Within parking there are loading areas for vehicles with maintaining temperature. One parking space is available for additional price of 25 euros.
