Excellent, brand new warehouse facility situated in the industrial area of the city. It is placed about 800 m from Obrenovac road and a few kilometers from the Belgrade-Sid highway, 3 km from the main bypass and 3 km from the Makis railway station. The space is almost finished, it is necessary to pave the plot in front of the warehouse and finish the floor of the warehouse. If needed the owner could build an office space within the warehouse. The deadline for completion of all works will be 30-45 days from the signing of the Lease agreement.
