Interesting, nice apartment in relatively old, but well maintained building in wider city center. The area is well connected with all parts of the city, while there are numerous shops and cafes in the neighbourhood. The apartment is housed on the third floor of walk up building. Living room is interconnected with dining room and fully equipped kitchen. One bedroom is furnished with king size bed and closet, while the other with sofa, desk and built in closet. The apartment is abundant with light, two-side oriented, air-conditioned and comfortable. Suitable for a single person, couple or a small family.
