This spacious, fully renovated apartment is located in central area of Senjak, in vicinity of a green market. Within only a few minute walking distance one can reach the French School, public transport stops, retail stores, as well as several excellent restaurants and cafes. Even though very close to the commercial zone, the advantage of this property is that it is housed on the third floor of an apartment building positioned in a quiet street, surrounded with family houses and greenery. Building has a parking plateau in front of it, as well as garage spaces for each apartment. The apartment itself is very spacious and has functional room layout. It features four large bedrooms, four bathrooms, a spacious living room which occupies 40 m², with 25 m² dining area, from where one can access a larger terrace. Each bedroom is capacious, with enough room for a double bed. Kitchen is separated, fully equipped with appliances. One of the additional benefits is connection between kitchen and laundry room, as well as access to a glassed in terrace, equipped with patio furniture and a beautiful view. Warm and bright colors dominate throughout the interior, while each room has air-conditioning.
