Located in central area of the old part of the city, this workspace is designed to be easily adapted to different needs and the number of employees. Positioned in the vicinity of Belgrade ZOO, within only fifteen minute walking distance from Republic square. Innovative, purposeful interior design, technologically advanced infrastructure and a wide range of lease options are specially tailored to help reach the full potential of any business. The offices are intended for teams of 4 to 8 or more people, with the possibility of adjusting to the size of the team. The offices are equipped with office furniture. The rental price includes all bills, maintenance and cleaning, ultra high speed internet, technical support, use of common areas (rest areas, kitchen, toilets, showers). Access to the building is provided 24/7. There is a possibility of additional rent (per hour) of conference halls of different sizes. Excellent address, flexible lease options, modern design and the most modern infrastructure of this facility will satisfy even the most demanding clients.
