Very attractive apartment located in the center of the city, within walking distance from Knez Mihailova pedestrian zone and Kalemegdan Fortress. It is housed on the sixth floor of an older building with an elevator and has Kalemegdan view. The apartment consists of two spacious rooms, a kitchen with dining area currently organized as a smaller living room and a beautiful bathroom with a shower cabin. Terrace, which could be accessed from the kitchen has a beautiful view over the greenery and the city. Both larger rooms are equipped as bedrooms, but there is a possibility of reorganizing furniture so one of the larger rooms could be living room, while kitchen and dining area would be separated. The apartment is equipped with brand new, modern furniture in pastel color shades. Very bright and comfortable interior, suitable for a couple or a family.
