Business space is situated in a newer building of business and residential character. Entrances and elevators for the residential and business part of the building are separated. Great location, easily accessible, with a public transport station nearby and many shops and cafeterias. The space is housed on the second floor of the building. It spreads over two levels connected by a staircase and each level has its own separate entrance. The upper level occupies 55 m², and consist of an office with a kitchenette and a toilet. The lower level is also an open space. The office is furnished, air conditioned, suitable for various business activities.
