The house is situated in a quiet part of Zvezdara forest, close to bus roundabout at only fifteen minutes driving distance from Bogoslovija or Bulevar kralja Aleksandar street. It is completely renovated and spreads over two levels. Entrance hallway leads to the central part of the house and further to other rooms. Three more bedrooms of similar size are at disposal as well as two bathrooms with shower cabins. Garage is in the basement level. Suitable both for comfortable life or business activities.
