Commercial space located in basement level of an older residential building, located in a busy street, near the Singidunum school. Well-organized public transport and the proximity of highway inclusion connects this location with other parts of the city. The space consists of two, interconnected rooms where each has a separate entrance. The height of the ceiling in the space is about 3m and there are two toilets available. Entrance door is made of PVC in combination with glass. The space is functional and bright, different business activities can be performed in it.
