Apartment located in a street at the edge of Neimar. It is housed on the high ground floor of an older, prewar building. It features two spacious rooms, one of which is interconnecting, a bathroom with a bathtub, a toilet, a kitchen with a smaller terrace and an additional utility room. Property is facing the street and courtyard and has two entrances. It is painted, and partially renovated. New windows, pvc carpentry and refurbished parquet. Suitable for a quiet business activity.
