The apartment is situated in the immediate vicinity of Hotel Srbija and Sumice within walking distance of a public transport station with several lines. The location is well connected to other parts of the city, and in the surroundings there is a kindergarten, an elementary school and several shops. The building has four floors, the apartment is on the first floor. The apartment consists of a central hallway that leads to other rooms. Two bedrooms and a spacious living room are at disposal, while the kitchen and the dining room are separate. The bathroom is a bit older but very well preserved. The apartment has a nice terrace with a view of the greenery, for enjoyment. Nicely furnished in calm, pastel colors. Suitable for a couple or a small family.
