This closed residential complex is located in the wider city center, near Bulevar kralja Aleksandra and is synonym for an isolated oasis of peace and privacy within easy reach of major city events. The area is rich in greenery, and in the immediate vicinity are schools, colleges, various commercial and administrative facilities, which makes this area ideal for the life of modern professionals. The complex itself has a specific appearance and architectural design, and it includes an indoor pool, gym, sauna and solarium. It also has a garage space. It is organized like a hotel and has a maintenance service, video surveillance, 24/7 security service. The complex has a beautiful garden with a fountain and a seating area, which is available to all tenants. The apartment itself is luxurious, with high ceilings, excellent ceiling and wall lighting. The interior is made of the highest quality materials. It is functionally divided into two parts. Extremely spacious living room of 60 m², which includes dining area. Kitchen is connected to the dining area and fully equipped. Throughout the entire length of the living room there is a large glassed in terrace that has been converted into a separate room with heating, air conditioning and a beautiful view of the garden of the complex. There are two bedrooms at disposal, one equipped with a double bed and the other as a study room. Additional utility room is used as a wardrobe and shoe store. The bathroom has a shower, and there is a guest toilet next to the entrance into the apartment. The interior is very elegant and is equipped with pieces of furniture of modern design. Comfort, quality and functionality were the basic ideas for decorating this interior, which is intended for tenants of refined taste.
