Attractive, fully equipped apartment, located in a street in immediate vicinity of Botanical garden, busy location, with good connection to the rest of the city, within a few minute walking distance from Skadarlija. Older, well maintained building with an elevator and only three apartments. The apartment is housed on the second floor. It features an entrance hallway which leads into the living room, from where each room could be accessed. Kitchen with dining area is separated and has a small pantry. Two bedrooms are at disposal, bathroom with a shower cabin and a restroom. Fully renovated prewar apartment, of beautiful interior, equipped with new modern furniture. It has high quality ceramics, floors, lighting and sanitary ware. Suitable for one person or a couple. One parking space is at disposal in front of the building.
