This office space is housed on the second floor of a newer, business building. The location is easily reachable from all parts of the city. In the vicinity there are numerous public transportation stops, while a number of shops, cafes, banks are located in the neighbourhood. The building has admittance area and security service of its own, as well as card access system. Technical characteristics of the building itself meet high criteria of modern business: optical cords of several providers, fire protection system, halogen lighting, internet connection and net. The premise is divided with glass and plaster partitions, so it could be easily adapted according the clients requirements. It is very bright and airy. Two offices are at disposal, as well as a spacious conference room, which is shared between all the users on this floor. while kitchen and toilets are mutual for whole floor. Underground level features a garage. Space has functional layout, suitable for IT companies, marketing agencies, and companies with smaller number of employees. There is a possibilti to rent additional space.
