An apartment with characteristic high ceilings, situated in the very center of the city, in a busy location near the hotel Moskva, and close to the pedestrian zone and the business part of the old town. It is accessible from different parts of the city by public transport or by car. There is no possibility for parking in the area except in public garages. The space is housed on the fourth floor of a pre-war building nicely maintained, with an elevator. From the entrance, on the right side of the apartment, there are two large rooms facing the street. The second part of the apartment consists of a bathroom, toilet, hallway, three more rooms, one of which is small and a small kitchen with the necessary elements. The bathroom has been renovated and has a shower. The apartment is suitable for a variety of business activities.
