An excellent penthouse in Vracar area in quiet street close to Bulevar kralja Aleksandra. Public transport and traffic nicely connect this location with other parts of the city. The apartment is housed in new building with garage space in the basement, on the last, sixth floor. This apartment alone is reachable by the elevator. It consists of anteroom, large living room with dining room and kitchen. This area has access to two terraces. Next to the terrace is space suitable for another room. Private area is organized in three rooms, bathroom and toilet. Space is bright, two-side oriented equipped with high quality windows. One parking space is reserved in building's garage. Suitable for comfortable life or business activities.
