Very good business space / shop in a relatively new building in a quiet street near St Sava temple in Vracar. The location is very close to the highway inclusion, what provide easy access to all parts of the city. The space is housed on the ground floor and faces the park. In front of the window is terrace/ garden of around 120m². The space consists of one room and two toilets. Opposite the entrance, the bar extends along the entire length, and leads to the kitchen. The kitchen could be fully equipped with professional equipment and has an exit in the back. This exit is facing the street and leads to a small pantry. The space is air-conditioned and ideal for a restaurant business.
