New semi detached house situated at the very border of Dedinje, close to Pere Velimirovica street. This one way street is small with mainly family houses with plenty of greenery in the neighbourhood. This position is less urban than surroundings. The house is new, placed on the 200 m² plot. On the side of the building is car entrance with enough space to park two vehicles. The basement level is organised as one large space and a pantry. Large terrace leads to the entrance to the high ground floor. Ground floor consists of a spacious room of 40 m² where kitchen and bathroom with a shower cabin are placed. First floor contains three bedrooms and a bathroom. Last level has slanted ceilings, and consists of two rooms, partially separated and a bathroom with a shower as well. The whole space is nice, new and nicely decorated. Floors are covered with high quality laminate, while granite Italian ceramic is built in bathrooms. House uses electricity and pellet heating system, so it is equipped with radiators, and basement and high ground levels have floor heating. High ground floor has large windows which provide beautiful view of nursery garden while ceilings plaster works make this ambiance very pleasant. Space is furnished tastefully with new furniture of high quality. This house is suitable for a family life.
