Excellent, fully renovated apartment housed in a prewar building located in the very center of the city. Republic square, as well as Knez Mihailova street are within only few minute walking distance. Busy location, with diversity of commercial content in the neighborhood. Well maintained walk-up building. The apartment is structurally divided into four rooms and has two bathrooms. Even though it has recently been renovated, the apartment kept it's original prewar design. It has four terraces. Kitchen is fully equipped, while rooms have wardrobes. Bathrooms are new, modernly designed with floor heating. Property suitable for office space, as well as for residential purposes.
