Excellent apartment, located in New Belgrade, within new complex Exing Home 65. The complex is positioned close to West 65 and in vicinity of Airport city business complex. Well connected to main traffic lines, which allows easy access to the city center, airport, as well as to the rest of the city. The apartment is housed on the eighth floor facing the street, in a building with two elevators, which also lead directly to the garage space. The apartment features a central hallway which leads into each room. There is a living room with dining area, kitchen and a terrace, which could also be accessed from the bedroom. The apartment has one bathroom with a shower cabin. Interior made of high quality materials, granite ceramics, multiple layer parquet, aluminum wood carpentry. Building has alarm system, video surveillance, as well as smart house system.
