Excellent apartment in Vozdovac near the College of Electrical Engineering. Well-organized city traffic provide good connection of this location with all parts of the city. The building is relatively new, with a beautiful facade and elevator. The apartment is housed on the fourth floor. It has a living room interconnected with the dining area and has access to the terrace overlooking the street. The kitchen is small, fully equipped with elements and appliances. Two bedrooms are at disposal, one of which is oriented towards the yard of the building equipped with a built-in closet. There is another closet in the hallway. The apartment is functional, spacious, suitable for a family, a couple, or for a quiet business activity.
