Nice apartment, situated in a quiet street in Zvezdara, near the busy boulevard and the green-market Djeram. Well-organized traffic connects this location with the rest of the city. The building is relatively new, with elevator and garage space in the basement. The apartment is housed on the third floor and has two-side orientation. The entrance hall leads to all rooms. A living room with fireplace, terrace, small dining room with modern kitchen area at disposal. This area leads to two bedrooms, one with a double bed and access to the terrace, and the other children's room with a fold out bed, desk and closet. The bathroom has a bathtub and a washing machine. The interior is beautifully designed, equipped with modern elements, quality ceramics, and parquet. A garage is available for the future tenant. Ideal for a small family.
