An excellent apartment situated in elite residential part of Dedinje which is well connected with a city center. Numerous embassies and diplomatic branches are in the close vicinity. The apartment is placed close the Stadium Partizan in a quiet street with plenty of greenery in the neighbourhood. The building itself is withdrawn from a busy street with a parking plateau and a landscaped yard to which only the tenants have access, as there is a ramp. The apartment is housed on the ground floor of a well maintained building from the 80's. Small entrance hall leads to the guest toilet and a large living room. The living area is interconnected with the dining room, and has access to a beautiful terrace. Kitchen, as well as the rest of the apartment is accessible from the living room as well. The sleeping block consists of three bedrooms and a bathroom with a bathtub. The kitchen has been completely renovated, with new elements and high quality appliances. The interior is bright, two-side oriented, in bright shades and beautiful lighting. Good choice for family life, or business activities because of the functional layout. A parking space is at disposal, in the yard, only for the tenants of the building.
