The warehouse and business space is located on Altina, a few minutes from the highway to Novi Sad in a small and quiet street. The building is new and spreads over three levels. A warehouse space is situated on the ground floor and consists of two separate units of 350 m² each with a height of about 4 m with an access directly from the street. The space can be used as a warehouse but also for other purposes. A toilet is at disposal within the warehouse as well. In front of the building there is a parking space for several vehicles, while a truck can also access the unloading facility. There is enough space around the building to reach another street with a truck. Suitable for various activities.
