Apartment in the city center, near London building, Slavija Square and Manjež Park. Positioned at the corner with the busy street Kneza Miloša. It is located in a quiet part of the street, well connected to highway inclusion, which can be reached in about five minutes. Many public transport lines lead to all parts of the city. The apartment is housed on the second floor of a well maintained building with an elevator and arranged entrance. Post-war building with a large staircase, high ceilings, high quality construction and very quiet. The apartment is two side oriented, facing both the street and the courtyard. It consists of a central entrance hallway, which leads into the living room, which is connected with a dining area and occupies around 60 m². The kitchen is separated, fully equipped with new elements and state-of-the-art technology. Sleeping block features two bedrooms, a separate laundry room, as well as one bathroom with whirlpool tub and shower. A separate restroom is next to the entrance. Completely renovated, with excellent granite ceramics, sanitary ware, lighting in gypsum elements of the high ceiling. The interior is bright and has elegant lines, comfortable. Suitable for one person or a couple, who like a comfortable apartment in the city center. Functional room layout, also suitable for business activities.
