Office space in older industrial building, which occupies the whole last floor. One of the few remaining examples of older industrial architecture, suitable for variety of activities, from production, administration, sales, catering, to storage. Suitable for easy adaptation and remodeling according to purpose, thanks to the concept of open space, which allows refurbish as needed. There are partition walls, only the columns are for basic support. There is a laminate on the floor. It is necessary to renovate the toilet . Parking in front of the building.
