Very attractive location with good access and link to highway. It is only few hundred meters away from inclusion to new bridge over Danube river, and few minutes driving from highway to Novi Sad. Street is central traffic line of Zemun, and it continues into main road to Batajnica. Very suitable for heavy transport access, as well as for employees, for good public transport. Building is older but the interior is partially renovated. It is situated on a fenced land plot, with well maintained access road. Unit for rent is located on the first floor, while ground floor unit is used by the owner. There are five offices and four toilets. Suitable for variety of business activities.
