The business complex is positioned in the most accessible and attractive location in Belgrade for business activities. It is situated in the part of New Belgrade that represents the central business zone of the capital. Nikola Tesla Airport is at only ten minutes driving distance, while the city center can be reached in 15 minutes. In the vicinity of the complex there is a large business park, retail facilities, as well as numerous projects that are currently under construction or in the planning phase. The building is spread over five levels. The levels are organized as open space, of 500 m². In the ground floor is a garage. Heating and cooling provided via heat pumps, and ventilation via highly efficient recuperative chambers located on the roof of the building. Possibility of renting parking or garage spaces. An excellent address for various business activities.
