Beautiful house located in the heart of Senjak, within the elite zone of the city. Very suitable for families, due to the proximity of international schools, also well connected with various necessary facilities, such as shops, stores, green markets. Several lines of public transport operate through the neighborhood and allow good connection to the city center, while it only takes about 10 minute drive by car. All these amenities enable a comfortable life in a peaceful environment. The street has little traffic, and the house itself has a small yard of about 2 ares. The house has a basement, ground floor, first floor and attic. Each level is a separate unit, and all levels are connected by a central staircase. Interior has been partially renovated. Basement is unfinished and can be used as a storage. The property is suitable for both residential and commercial use
