Excellent retail space on the ground floor of a relatively new building on the Crveni krst in a quiet street a few meters from the main street where is a bus stop. The space spreads over four levels, 100m² each . The first level faces the main street and includes an open space, and has a display window of about 3 meters. The second, lower level is lowered by a couple of steps towards the back of the building. Above the first level, towards the window, is the third level, completely lit by the window from the street. The fourth level is a basement that has no natural lighting and has ceiling over 3m high. It has aluminum windows, and the floor is ceramic. Two toilets are at disposal, on different levels. It is possible to divide the space, if necessary.

Suitable for various business activities.
