New office building in the business environment in a busy street. Easy access to the highway and other parts of the city, as well as proximity to a public transport stop, make this location easily accessible from all parts of the city. The building was built to high standards of construction, fully technically equipped according to the requirements of modern business management, with installations carried out through the raised floor. It has aluminum windows, stop-sol glass, central heating and cooling, physical and technical security service 24 / 7. The space is located at the ground floor. Modern architectural design, modern technical equipment and excellent location make this area a desirable address for business activities.
