House is located in peaceful street on Zvezdara, in close vicinity to Zvezdara forest, and several public transport lines, which enables you to get to the center in approximately 15 minutes. Semi-detached house with own yard, and lot of greenery. House occupies two levels. Ground floor has spacious living room with dining area, separated kitchen and terrace viewing onto yard. On the upper floor are four bedrooms, bathroom with bathtub and bidet, and terrace. Special comfort in the living room is provided by the fireplace, integrated into the vertical partition wall, with facade bricks of natural color. The rooms are spacious, and two are equipped with king size beds. House is fully furnished with stylish, artistic and collectible details, as well as with appliances. A spacious garden is at disposal. A very pleasant and warm home with the benefits of clean forest air, chirping birds and proximity to the dynamic urban life of the city center. Suitable for families with children.
