An excellent apartment, completely renovated, in an older building in Dedinje, near the hospital Dragisa Misović. The building is secluded from the street, with a yard and greenery in front. There is free parking behind the building. The apartment is housed on the third floor in the building with out an elevator. Very good structure. It has a comfortable living room with access to the terrace, a kitchen, a separate bedroom with a storage room and a bathroom. One bedroom has its own terrace. There is a guest toilet in the entrance hall. Very bright, good lay out, suitable for family life.
