Excellent office and warehouse facility in Bežanijska Kosa, near the highway. It is located in the industrial and commercial zone where runs several public transport lines. The building is newly built and comes on two streets. From one is going directly to the warehouse, and this input is suitable for loading and unloading goods. The building consists of four levels, while space for rent occupies two levels. The first and second level are storage spaces each with 1-3 offices, with computer network and floor heating. Warehouses are ceiling height 3.5-4m, with industrial floor, a current 150 kW, with natural light. All levels are equipped with video surveillance system and anti-fire protection. They are connected by a freight elevator capacity of 1500 kg. The ground floor has dressing rooms for workers and bathroom with shower. It is also suitable for the production and storage of intensive goods.
