Attractive apartment, in a busy street near Palilulska green-market and Tasmajdan. Excellent location, about a fifteen-minute walking distance to the city center, with numerous commercial facilities. Good connection to other parts of the city with many city transport lines passing along this route. A newer building, set slightly further from the street, therefore very quiet for family life. The apartment is housed on the seventh floor of this luxury building, with two elevators and a garage space in the basement. Functional, two-side oriented apartment. The entrance leads to the living room, which is interconnected with the dining room and has an exit to the terrace that overlooks the inner courtyard and the city. The kitchen is large and separated from the dining room by a counter, equipped with all the necessary built-in appliances and elements. The other part of the apartment is a sleeping block consisting of three bedrooms and two bathrooms. The master bedroom has its own bathroom with shower. The other two rooms are children's and both has access to the same large terrace. The corridor leads to the second bathroom with a shower for these two rooms. The guest toilet, at the entrance to the apartment, has washing and drying machines. Comfortable, bright and functional apartment, modern interior. There are also two parking spaces at disposal in the building's garage, suitable for larger vehicles, as well as the storage room. All this space in the garage is additionally secured with roller doors. Suitable for family living, in an excellent location in an exceptional building.
