Apartment located in a pre-war building in the very center of the city, in immediate vicinity of Republic square and pedestrian zone. Attractive building, with beautiful well maintained entrance and a smaller elevator. The apartment is housed on the eighth floor and it is structurally divided into three rooms. It features two bedrooms, one of which is equipped with a double bed while the other has a single bed. Entrance hallway leads into the living room with a terrace and a view over the city and the river. Smaller bedroom is located near the entrance, while bigger bedroom is next to the living room and has access to the terrace. Kitchen is separated from dining area with marble kitchen counter and equipped with high quality appliances. Bathroom has a shower cabin. Fully renovated and equipped with a combination of modern and restaured furniture. Beautiful colours , with unique details, makes this property an excellent choice for people who appreciate art and are looking to be in center of social events
