Apartment housed on eighth floor of an older building, across the street from Hala sportova. Classical room layout, with entrance hallway which leads into each room. There is a living room and a bedroom, with kitchen and dining area between them. Terrace could be accessed from the living room and kitchen. Bathroom has a bathtub. The apartment is in it's original condition, equipped with older pieces of furniture. Abundant with natural light and spacious. Suitable for local people and students.
