An apartment with characteristic high ceilings, situated close to city center and Botanical garden. The traffic is well organized, and connection with center and other parts of the city is very good. Several stores, restaurants and coffee shops are in the neighbourhood. The apartment is housed on the high ground floor of an older building, has two-side orientation, towards the street and yard between the buildings. Rooms are mutually interconnected in a row. Living room is centrally positioned with direct access from the entrance. Two mutually connected rooms are on the left from the entrance, one of which is master bedroom. Both of these rooms are facing the street. Hallway connects two rooms in a row with an exit to a large terrace of 20m² overlooking the yard between the buildings. Kitchen with several elements, toilet and pantry are also in this area. The apartment is functional, bright with electricity heating using the air-condition and tile stove. Suitable both for residential and business purposes.
