Excellent apartment, located in a modern, newly built area of New Belgrade, in Sun City. The complex is functionally organized and features many different commercial facilities, necessary for everyday life. The location is well connected to different parts of the city, due to the proximity of the Ada Bridge, as well as the wide New Belgrade boulevards, which enable fast traffic flow. The complex is secured by video surveillance. The apartment is located on the 7th floor of the building. It consists of an entrance area, which leads into the living room with a kitchen and dining area. Sleeping block has two bedrooms, a bathroom with a shower cabin and a toilet. The living room has access to the terrace. There is also 1 parking space available in the garage for an additional fee. Ideal for a couple or small family.
