Excellent apartment in the central part of Vračar, near the Kalenic green market as well as numerous commercial facilities. Pre-war apartment, spacious and abundant with natural light, it has been completely renovated, while the charm of pre-war architecture has been preserved. It is housed on the first floor of an older maintained building and is mostly oriented towards the street. The surface area of the apartment and the layout of the rooms allow flexibility - it is ideal both for living and for quieter business activities. High ceilings, large front doors and plenty of natural light contribute to a pleasant atmosphere. The apartment could be partially or fully furnished according to need.
