Nice apartment in an older building with an elevator in the city center. A busy street at only 10 minutes from Trg Republike and 5 minutes from Palilula green-market. Surroundings with numerous shops, cafes and restaurants, close to the university. Apartment is housed on the fifth floor and faces the inner courtyard, so it is also quiet. It consists of an entrance hall that leads to the dining room and further to all the rooms. The kitchen is separated and has a pantry, while the bathroom has a bathtub. The dining room leads to two large rooms, of the same size, and one has a glassed in terrace. Furnished and suitable for student or family life.
