Semi detached newly built house in Zemun, Gornji grad, not far from the Postal Center and the highway. It is placed next to the street, on a lot with several buildings. The house has a separate entrance and consists of three levels. The ground floor is an open space with a kitchen, the basement is also an open space, while there are two rooms on the first floor. The ground floor has a toilet, the first floor has a bathroom. In the basement there is a space for laundry room. The floors are in ceramic tiles in a wood pattern. Heating via heat pump, through floor. The space is bright, air-conditioned, comfortable. Parking for two vehicles. Suitable for various activities. There is a possibility of leasing other semi-detached house, with an identical layout.
