A very nice, smaller house located in an ideally quiet location, in a cul-de-sac at the top of Topcider, with a view of Košutnjak. The house is located in the back part of a large plot that contains a total of 3 buildings. It occupies two levels. The ground floor includes a spacious living room with access to a comfortable terrace, a guest toilet and a large, fully equipped kitchen with dining area that also has access to its own terrace. The floor includes three rooms, of different sizes, the main of which also has its own terrace, and a bathroom with a shower cabin. This level has gentle ceiling slopes that do not interfere with the use of space. The house is beautifully and charmingly furnished, but it can also be without furniture. Suitable for living space, as well as business premises.
